

THE BOBCAT

The Barron School PTA

May, 2010

PRINCIPAL'S MESSAGE:

Dear Parents/Guardians:

I'd like to begin this month's message by acknowledging the collective efforts of members of our school community during April. Our "Salute to Excellence" program featured an outstanding variety of our students' work across many content areas.

Thanks to all of you who attended this worthwhile event. We also had several activities as part of our 40th Earth Day. Students decorated food bags which were then used at Market Basket, several plants were added to our "front yard", and Chunky's Cinemas once again had their colorful truck which runs on used vegetable oil on display as well. A special thank you to Lisa Webb, who coordinated the Earth Day activities along with her supporting cast whose volunteer efforts made a big difference.

In closing, I wish all of you a healthy and restful Spring Vacation Week! Go Sox, Bruins and Celtics!

COMING UP
