November 2009

PRINCIPAL'S MESSAGE:

Dear Parents/Guardians:

The month of November includes the Thanksgiving holiday which provides families with an opportunity to unite and reflect upon the many reasons we have to be thankful.

Our Heroes' program themes for the next two months, Citizenship and Caring, also reinforce the importance of being aware of the needs of others. For instance, we will be asking Barron families to participate in the "Power of the Penny" program from November 2, 2009 – November 20, 2009. Your donation of pennies and other coins collected in each classroom will benefit children in a small, rural Mexican village. Ann Halloran, a retired Barron teacher, will be visiting this village in January, 2010, to personally present our anticipated contribution.

We also have many other events planned for this month including the 8th Annual Turkey Trot, a three mile walk/run on Saturday, November 7, 2009 beginning at 9:45 a.m. All proceeds from this activity go to our Literacy Fund in memory of former Barron teacher, Brian Richardson. I hope to see you and your family and friends there! Our Parent/Teacher conferences are also scheduled for Thursday, November 12, 2009 with Report Cards going home on November 10th, 2009.

In closing, I'd like to also acknowledge all military veterans for their courage and service to our great nation and we will have a Red, White and Blue Day on November 10, 2009 in their honor.

Sincerely,

Anthony M. DiNardo
